There's no greater love

Them there eyes

The great pretender

There will never be another you

Tico Tico

Tie a yellow ribbon

Breakfast at Tiffany's

Time after time

Top of the world

Tulpen aus Amsterdam

Unchain my heart

Venus

Volare

I wanna hold your hand

Waterlou

Wave

What a difference a day made

What a wonderful world

Wonderful tonight

Yesterday

You are the sunshine of my love

You never walk alone

(u.a.)
